North Myrtle beach has been a vacation tradition since the 50's, when early rock 'n roll and the "shag" dance was born. Dancing in the sand to the sounds of the Drifters, and frolicking "Under the Boardwalk" created a vision of fun and sun that still remains today. Most of the old landmarks like "The Pad" and the Ocean Drive Hotel have been replaced with luxurious oceanfront condos and resorts, but the relaxed and leisurely pace of Ocean Drive and the Crescent, Windy Hill, and Cherry Grove beaches still have their own ambiance.

Lois is doing better. Keep her in your thought and prayers. We want her back on the dance floor soon!! We miss you Lois!

Bob and Karen Weeks are back from their medical mission to Honduras. Karen sent this update. "It was an amazing trip. We saw between the medical clinic and the Vacation Bible School 1801 people. The Dentist with us in 4 days pulled 369 teeth! We had 313 pray to receive salvation. Besides giving out the usual bibles, tracts, gospel soccer balls and salvation bracelets we distributed 3000 lbs. of beans and rice. We felt the Lord used us to feed their stomachs and their souls along with much needed dental and medical care. Thank you all for your encouragement and prayers."

Membership forms can be found on the website.

 June-29th Buck Crumpton

Hi Gang,

Welcome to summer! We've got a few things going on this month.

First up, will be our annual party at the Governor's Mansion on June 14 starting at 5:00. You will need to call or email Gail by June 5<sup>th</sup> so we can get a head count to order the food. We can't have food for you if we don't know you are going to be there so be sure and let Gail know by the 5<sup>th</sup>.

Then, June 15<sup>th</sup> at Shifter's we will start NO Cover Charge for Members on the 3<sup>rd</sup> Wednesday of each month. All others will pay \$5.00 to get in so, if you haven't joined yet, this would be a good time to re-up. Also, be sure and check out the remodeling going on at Shifter's. We will also have some of the ladies in the club teach our very own Mountain Stroll.

Next up, June 17<sup>th</sup>, will be the Party at Saluda Mountain Jamboree, where the DJ Quartet will be playing. If you haven't been to this party you're in for quiet a surprise, because these guys put on one hell of a show.

We are working on something special for July. Details will be coming as soon as we get everything ironed out.

The Beach Boogie is coming up on August 27<sup>th</sup>. With only 200 tickets available, we will be SOLD OUT soon. If you plan on attending and do not have your ticket, you need to contact me or anyone on the Board to get your ticket before they are all gone.

See you on Wednesday,
