North Myrtle beach has been a vacation tradition since the 50's, when early rock 'n roll and the "shag" dance was born. Dancing in the sand to the sounds of the Drifters, and frolicking "Under the Boardwalk" created a vision of fun and sun that still remains today. Most of the old landmarks like "The Pad" and the Ocean Drive Hotel have been replaced with luxurious oceanfront condos and resorts, but the relaxed and leisurely pace of Ocean Drive and the Crescent, Windy Hill, and Cherry Grove beaches still have their own ambiance.

“Dear Paul & Debbie,

Please accept my gratitude for your wonderful hospitality last weekend while I was in Asheville. As usual it was more than any visitor could ever expect. Y'all not only made me feel welcome and part of the group, but introduced me to lots of very attractive single women that could dance!!! It almost made me want to move to Asheville. Please let each one know how grateful I am for allowing me to dance with them. It's also very special when gentlemen like Paul and Jim make it clear that it's ok to dance with their wives. It means there's rarely a shortage of dance partners.... except on the songs everyone wants to dance to. Hope to see y'all again soon. May be coming back to Asheville to take another class December 2-4 but not sure yet.

Best Regards,
 Sam Dwyer”

Shaggers are already well known on the Grand Strand but now the rest of the world will know who they are. Saturday afternoon about 1,000 people shagged their way into the Guinness Book of World Records at the [North Myrtle Beach Aquatic and Fitness Center](#). Only 250 were needed. Everyone had to be verified before the record attempt. The group danced simultaneously for five minutes to beach music of course. The Society of Stranders organized the event. Here are some websites you can go to and see part of the event.

You can see Karen Workman and Roger Carr dancing at a CSA (Competitors Shaggers Association) event on 6/24/11 by logging onto youtube.

Embroidered Club Logos

We have found business that does a great job with our logo. Paul usually has a few samples and tee shirts with him at Fred's if you want to see the logo or are interested in buying one of the items. We can take almost anything to them and they will put the logo on it. Right now the price runs around \$10.00 per logo but the more items we have, the cheaper the cost. So, if you have something already, like a jacket, hat, or bag, bring it to Paul and when he has several pieces, he can get them done and beat the \$10.00 per logo charge.

Members Free

At Fred's Speakeasy South, the 3rd Wednesday of each month the cover charge will be FREE for MSC members and \$5.00 for non-members. This is a great member benefits so please come out and take advantage of it!

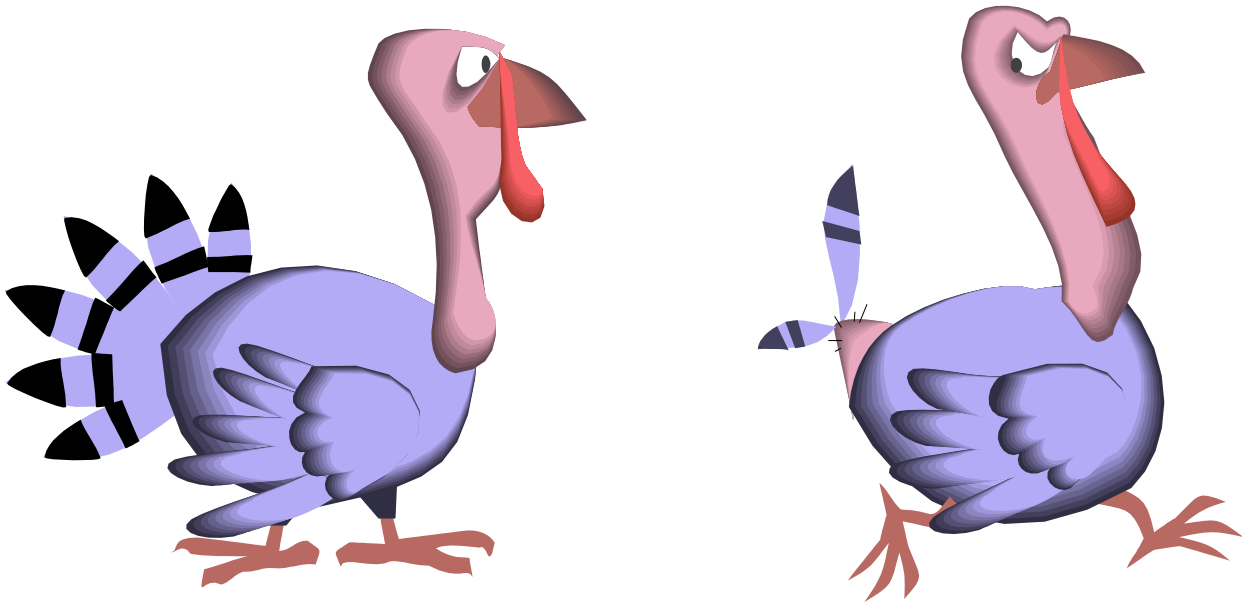

Please send any news that needs to be in the newsletter to Cindy at jcbry@comporium.net

Membership forms can be found on the website.
